

NEEDING A FATHER

A LETTER

January 2018

My Yahweh,

I don't want to ever be without You. The absence of Your presence would break my heart. I need to feel You, to taste Your sweet embrace. I love You, my Lord, my Love. You are the very air that I breathe. I am so in love with You. I believe Your Words of life and love. I believe that You love me with the purest love. I believe in You. I want to know You more and more. I want to hear Your voice speak to me. I want to go into realms of intimacy with You as never before. I look forward to being with You forever, my Lord, my Love.

Come quickly, my Love. Your Bride awaits You. I long to please You in my heart, to bring joy to Your heart. I know that You will always be with me, that You will never leave me nor forsake me. I know this because You have said this. I will tell others about You and Your love that spans the depths of the universe. This love, this perfect love, is for me, but not just for me, Lord, but for all those who are willing to drink from You. I look forward to the day when I see You face to face throughout eternity.

Yahweh, there's something I should share: Will You help me with this pain? Painful feelings of hurt overwhelm me. I feel unloved. I feel neglected. How could he say, "You are fat as a fool? No, not my husband but the other man, the man who I treasured from a distance. When did natural weight become my gauge of inner and outer vision of pleasing ways? You are my Friend, and You care about me. Can I be transparent and share without hiding from You what hurts? This human could have been close. Why didn't I let him in?

There is much to learn still. How can I lead others with a wounded heart for the loss of a relationship?

YAHWEH SAYS:

Wounded are you, but the wounded places will be healed in a quick way. Your wounded places were kept this way to give others a way to move in being healed in their soul. Show your true way so you can be healed in this lost relationship. Now share it, servant. You will speak great details to help others move in being set free to go deeper into the purpose they have been given. I will let you speak a true detail to be a blessing to others in pain.

SEERSGATE SAYS:

I longed to see my natural father, but I would rarely see him due to living in different nations. It meant so much to get a letter from *daddy*. I have not even called him that, but oh, I wish I did. Too many years went by—with birthdays without him being with me. Too many holidays. Too many long summers without a daddy. I had no true father in my life. There were family members, yet there were no real examples of how a natural father should lead.

I did not view my Father in Heaven as a God who loved me—with a way to never be like any human father. I had to look at this wounded way to see that my spirit wasn't fully accepting Father God with actions of pure caring, trust, and faithfulness. I always had this view of God being distant—like both natural male figures in my growing up days.

Father God's way is distant only to sin but not to me. Father God loves me and will take good care of me. He will genuinely listen and tell me words of caring and comfort, along with stern leading and purpose-filled counsel. My Heavenly Father will view me the same way each day. He never distantly looks at me.

I truly can reach You, Father. Will You let me get closer, to have Your breath fill my spirit with a deep surging in You? Will You let me hear You with clarity? Will You be there when I call, when I am lonely, and when I am not?

YAHWEH SAYS:

Yes, servant. You can always look to the Great Way giving you the plan in truly laying down your past and truly being in a way to fully trust the Great God you truly love. You can truly be yourself. There's no need to make it be a moment of fake times. You can rest in Me. You can hear breathing when you lie still. Let Me take you deeper into My will for you. It is special. You are now ready.

PRAYER TO RELEASE OLD DETAILS IN LOST RELATIONSHIPS

Father, I release this pain of an old relationship that was lost. I give it to You whenever it may seem to come and be a detail that must be reviewed to help others. Your plan is: to provide fatherly love. Will You be the Father-figure in place of those who were not able to meet that need? Place all those who were being daddies in their rightful place. Please be my Heavenly Father, who would greatly influence me in all details.

THE GREAT I AM SAYS:

I am that Person. I am that Father. I AM. I will love you, servant, with a deep love that your way will truly taste in a new way without the wounded way. You will now start to be a blessing to those who were just in that will for knowing no father.
