

YOU COVENANT WITH THE MOVIES YOU MAKE

YAHWEH IS LEADING:

No one would notice. How can a person act in a movie scene without being heavily influenced? Can covenants take over when a person takes on a way of pretend? But is it all only ways of pretending or is there a spiritual connection to do a plan that changes the spirit realm encasing that actor? They say, "We only take in acting," yet they fail to see it: The heart of a person syncs with their activities. Being involved with making a pornographic film will definitely bring in a host of demon infiltration.

Partaking brings in one level of how demons can lead. What about watching as a entertaining detail? Watching is in a similar way as engaging in the act. To see a scene over and over puts a covenant, a form of agreement within, joining that person to that scene.

Even those who worked on a movie many decades ago are still dealing with the spirit way influencing others through what they made on film. These actors are under forms of bondage and cannot be set free based on the natural passing of time. How can anyone have freedom from what they were paid to perform in? What covenant must be broken to set that actor free from their joining? What needs to happen is power from a real Yahweh come and takes them into a way of new birth in spirit ways. The person must relinquish their former living and say they want Yahweh to lead them. And only Yahweh can build them a new defense that will heal their whole nature.

SEERSGATE IS SPEAKING:

What about watching something as a Christian? Can spiritual ways lead even in watching a natural film? Can the way of spirit beings take over in how a person deals with daily living? Can a natural act bring a shift within spirit dealings and take you down a path that leads you into natural and spiritual death? What must be clearly made plain: barriers of protection cover the Christian. At the same time, there is an understanding that we must put on the whole armor of God. Armor yields a form of protection and will protect the vital organs in spiritual dealings. Can we take off the armor by our actions? Yes. It's a proactive plan, where the Christian makes the part of works by doing the act to put on the armor.

The way of walking in the Spirit is spiritually led with an understanding that natural acts bring a forming of what could take way with a spiritual transfer. Let's take the act of taking communion: You physically put the elements in your natural mouth, but there will be a fulfilling of a curse of natural sickness or death when taking the communion elements without first examining yourself to make sure you are in the way of clean hands and a pure heart before Yahweh.

Some are weak or sickly, and some naturally die from partaking in communion without first examining their way. The natural action pushes a spiritual curse that leads to natural illness or death. So, even the reverse can take way where Yahweh yields natural healing based on the way He chooses. Communion is a tool, not what brings the healing. Healing comes through the power of King Jesus.

And that is what can happen with others who partake in covenant ways with certain binding activities. And what is left to say other than how Yahweh can break the old way and bring a turning within that is submitted to Kingdom order. Will you pray to have those old ways broken off. No amount of declaring will work. There must be a prayer of offering, yielding your way through a prayer of petition, saying you need Yahweh's help.

“Please set me free, Yahweh. Bring a change to this natural mind. Bring healing to body, soul, and spirit through the blood of King Jesus. Create in me a clean heart and renew the right spirit in me.”

That is a way to cry out if you are in the Kingdom of Yahweh. And what would be a great place to start if you do not know Him? Knowing Yahweh brings a “heart” change. To take in what Yahweh yields through the blood of King Jesus is to say, “I want Yahweh to be the One True Lord and God of my life.”

But what must be understood? There must be a turning away from sinful living. All have sinned. All fall short of the glory of God. All must be saved and made alive in Christ. There is no one who is righteous. All humans have sinned. Christ died for us and gave us a way to be reconciled to the Father. But there must be true repentance, a turning away from what brings Satan a way of honor. Would you like to take in a new covenant, one that gives eternal life even in this current living? You can ask King Jesus to forgive you this day.

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

YAHWEH IS LEADING:

Let Me end it, servant. Dear one, say this: “Yahweh, King of all. I will yield my body and make it become Your temple.”

Now, I will sweep it clean.
