

EATING HUMAN WASTE

SEERSGATE SAYS:

Where is it said that the human isn't permitted to eat this fecal way expelled? Can you locate it in Scripture? We need to look at the root of this disturbing detail that is very unclean. But it is not only unclean in natural dealings: it has a base of sin that will give a deep exchange of demons within those who will partake in the act.

But where is this detestable experience carried out? It is done in cities, in a way in sex. It's a precursor to sex. It's breakfast. It's another person's sexual dessert. It's the precursor to a bondage position, where the man or woman who eats the waste is under that servant's plan.

When someone eats human waste, it opens a plan to take in greater demons. It is the lowest level of material, but it enables deep spiritual engagement with demons.

I can remember a woman who experienced this, watching this sin performed, having nightmares for years, unable to break free from the visual seeing that placed a cage upon her. A spiritual cage—just as the sin of having an engagement in bondage.

When a person eats human waste, many levels of demons begin to infiltrate and will build a strong man within. Think of how enemies of a group would eat their victims or feed their enemy to a field animal to fatten them with that human food. In this experience of eating human waste, the one who eats will gain a greater demon filling through a rite of domination.

Domination is under bondage—another detail to explain. With eating human waste, there will need to be a power-filled deliverance ministry to break the various levels of demons connected in a web-like fashion.

THE GREAT WAY KING JESUS SAYS:

This is one of the deepest occultic dealings that any human would partake in. It brings a full way of release in the spirit realm, giving every demon a rite of passage from one party to the party eating. Deep spiritual afflictions take a will to build a permanent dwelling in the one who lets it take them.

And with the one who gives their waste, they give their body over to a very major strong man that will take a fasting plan to be set free.

This very major web will require fasting and prayer to leave. There, within, are various stages under a strong man that will need great warfare engagement to set the eating way free. With the way given, this sin praises Satan directly and gives a place of honor to Satan's dark kingdom.

I will never give any who take up this plan a way to taste My nature until there is a real surrender, to deal with Me in spirit and in truth—a true engagement and surrender under the powerful Yahweh.

Didn't you have great release? That's why I had to do it. No one in that church way was able to pray to set you free—direct deliverance.

I can call out any demon from a human. And I will bring great deliverance to all who read this if they are willing to yield and let Yahweh bring delivering power. Amen.
