

DISLODGE THE SPIRITS OF RAPE AND MURDER

SEERSGATE SAYS:

When there is a lack of respect for a woman, a demonic presence may be involved. Let us bring a prayer of freedom to women who are abused and lowered in self-worth by dislodging the spirits of **Rape** and **Murder**.

HERE IS THAT PRAYER

Father, we come to You in the name of King Jesus. We put this major need before Your Great Throne, and we seek that You will break off the spirits of Rape and Murder from the family line. Please take the Death Spirit curse concerning natural and spiritual resources from the women's necks and bring a real breakthrough in all parts of each woman as she yields her full way over to You. The curse of rape manifests when a person is taken advantage of, revealing a Controlling or Intimidation spirit near.

Father, bring these spirits and their moving of nature under the authority given in the name of King Jesus. Please bring true freedom into the lives of the women bound from the will to use male figures in unnatural safe holdings and let them see that You will truly take care of them whether a male is present or not.

Father, heal the wounded woman who dealt with abandonment to take care of the home without a male head. Please bring healing to the woman who experienced sexual abuse or actions in dealing with a spirit not welcomed under Kingdom order. Bring in a fresh new look that will give a major breakthrough into others who will come near.

Father, bring a fresh new wave in Your Spirit. Let us feel the rain of Your presence. Let the love of Yahweh take over in the person's heart who seeks You. Break off the old way of sin, hurtful memories, and trauma. The spirits of Rape, Death, and Murder will no

longer lead. Murder will no longer come forth as a side effect. Premature spiritual death will take a submissive way to Your power, Yahweh, for You are the One True God.

Father, thank You for this freedom in You, to seek You and find You when we seek You with our whole heart. Father, please seal this prayer with the blood of King Jesus. Bring a healing release into all who thirst.
