

SEX WITH KING JESUS: NEVER!

Who would think that it is real—the question that haunts those who wonder, “Would Yahweh actually come down in a human form and mate?” Let’s take a look at this trivial teaching. Is it possible for angels and demons to materialize and mate with anything? Well, in the Word of Yahweh, angels can look like strangers. **Angels can literally look like human beings.**

Do not neglect hospitality to strangers, for by this some have entertained angels without knowing it.

—Hebrews 13:2 NASB

Within that level of materialization, the person would have to view what they see as a form of matter that has shifted from a spirit form of material to a natural shape made visible in natural surroundings.

Let me give you two critical definitions (*Material Transfer* and *Materialization*):

—MATERIAL TRANSFER—

(a) Material Transfer is the **process** of shifting from one form of substance to another. For example, angels and demons can change from a spirit substance to a human form of presentation. (b) That’s how the resurrection will be, where the dead will take on material transfer and shift into a sort of a substance that can come up through the burial ground under the earth to appear on the surface without being dug up.

In the resurrection process, the human will change, in material, and take on material transfer to be remade for the purpose of entering life everlasting or eternal damnation (read Revelation 20:5-6). King Jesus will come back and raise the dead. There will be an instant raising, not years of digging. And to bring forward so many so quickly, God will instantly shift the dead

human and bring them above the earth with His great power through material transfer.

—MATERIALIZATION—

Materialization is the **result** of a material transfer. A spirit from the unseen way takes on the shape of the natural, where they shift into a human form of presentation. It's when the unseen realm of spirit form, takes up a natural way, to move in being revealed by the natural senses. King Jesus could eat natural food and engage in natural interaction with the humans gathered (read Luke 24:36-43). The Great Way visited Abraham as a guest, taking on a form of a substance that would have a way to engage the human with natural presentation (read Genesis 18:1-8). God's Word speaks of entertaining angels without knowing they are real angels because they can appear as a human form of presentation (read Hebrews 13:2). Materialization gives angels and demons a way to interact with a human through natural engagement.

I want to share a powerful teaching called "Material Transfer" that explains the ways of *material transfer* and *materialization*:

A TEACHING "MATERIAL TRANSFER"

Most will not be very sure of the details revealed in this teaching, but this is what the Great Holy Spirit has given me to bring to the people. Most would say there is no way that the unseen can come and take on a different nature. They would say that this is not possible, yet there have been noted in Scripture these details in more than one place.

First, let's speak of Abraham and his guests that made themselves visible to him and Sarah at the meeting place of their way near the land where the nephew Lot had his place in Sodom. Now Abraham was not in Sodom, but he was surely close to see it from

a distance. This day that I speak concerning was like any other to Abraham and his barren wife. They waited for the promise of the Great I AM to come and be revealed. They were both advanced in age; Sarah was past the time given for a woman to bear children. This promised child was becoming a distant thought with Sarah, and the moving to bring this detail into the natural was what she needed to witness at her tent where the heavenly visitors came to greet them.

(1) Now the Lord appeared to Abraham by the oaks of Mamre, while he was sitting at the tent door in the heat of the day. (2) When he raised his eyes and looked, behold, three men were standing opposite him; and when he saw them, he ran from the tent door to meet them and bowed down to the ground, (3) and said, "My Lord, if now I have found favor in Your sight, please do not pass Your servant by. (4) Please let a little water be brought and wash your feet, and make yourselves comfortable under the tree; (5) and I will bring a piece of bread, so that you may refresh yourselves; after that you may go on, since you have visited your servant." And they said, "So do as you have said." (6) So Abraham hurried into the tent to Sarah, and said, "Quickly, prepare three measures of fine flour, knead it, and make bread cakes." (7) Abraham also ran to the herd, and took a tender and choice calf and gave it to the servant, and he hurried to prepare it. (8) He took curds and milk and the calf which he had prepared, and set it before them; and he was standing by them under the tree as they ate. (9) Then they said to him, "Where is your wife Sarah?" And he said, "There, in the tent." (10) He said, "I will certainly return to you at this time next year; and behold, your wife Sarah will have a son." And Sarah was listening at the tent door, which was behind him. (11) Now Abraham and Sarah were old, advanced in age; Sarah was past childbearing. (12) So Sarah laughed to herself, saying, "After I have become old, am I to have pleasure, my lord being old also?" (13) But the Lord said to Abraham, "Why did Sarah laugh, saying, 'Shall I actually give birth to a child, when I am so old?' (14) Is anything too difficult for the Lord? At the appointed time I will return to you, at this time next year, and Sarah will have a son." (15) Sarah denied

it, however, saying, "I did not laugh"; for she was afraid. And He said, "No, but you did laugh."

—Genesis 18:1-15 NASB

This couple received a visit from the Great King and two angels. They would not have known it was not a human there with them unless the Great King spoke and gave them the way to see this detail move into position. *Materialization* is a material transfer, where a spirit from the unseen way takes on the shape of the natural, where they appear in human form. They were able to eat. They wore clothing that was visible in natural surroundings. They ate in a plan where they were there in the house of the people who were serving the Great God Yahweh.

The visit was a special invitation from the Great God, and they could see Yahweh moving in the plan planted deep within. Their promise was a seed placed within that was moving to complete its purpose: to bring forth the Great King's very promise given within their spirit for the drinking.

This story is like any other vision given by the Great King. He would speak His will to embrace, and it goes deep within you for a period of growth into the position it needs to be in to come forth. All that the Great King gives would need an incubation period before the plan comes forward into natural living. Nothing happens just to happen on Yahweh's calendar. He moves to bring His will from the unseen way to the way that is visible in the natural. And that is a timing set in place that comes from the Great King.

Even the birth of King Jesus was spoken of by the servants of the Great Moving known as the Great I AM, and they could not come to fullness until the appointed time was in place. Don't think that the Great King is slow in bringing a will that He has given you to be seen, where you see it move to manifestation. God is a Planner, and He is watching for His Word to come forth, but it must be His way.

A servant of Yahweh must say what Yahweh gives without adding human ways of understanding and gauging. Interpretation of the layout of events comes from the Great

Holy Spirit. If the Great King gives a specific plan, that person must stand firm on what Yahweh says. God has a way to speak His will in a way that you must see: He can re-will, re-write, remove, re-shift, cut off, hold, postpone, or move His will to another for the covenant to stay in effect with a group that will keep His way with Him.

What the Great King had with Abraham was a legal contract referred to as a covenant. But this was no ordinary covenant; it was a spiritual tie that would bring Abraham the benefits, protection, the well-being of the One True Moving known as the Great God Yahweh.

God had a plan to bring the people to Himself through Abraham. This covenant is revealed in the earth within those who take the Great King as Lord and Savior. The covenant continues, and this plan had to be in place. And this is why the visit was so important. Look at the children that came from Abraham. Look with spiritual vision with the help of the Great Holy Spirit.

Now, what else can we note concerning material transfers? We know that Lot and his family were visited by angels the evening they were in danger of dealing with being there when the city would be destroyed by the Great God King Jesus, as given for the angels to handle. Those who spoke in the city that night could not tell they were talking with angels. They thought that they were just men who were new there.

(1) Now the two angels came to Sodom in the evening as Lot was sitting at the gate of Sodom. When Lot saw them, he stood up to meet them and bowed down with his face to the ground. (2) And he said, "Now behold, my lords, please turn aside into your servant's house, and spend the night, and wash your feet; then you may rise early and go on your way." They said, "No, but we shall spend the night in the public square." (3) Yet he strongly urged them, so they turned aside to him and entered his house; and he prepared a feast for them and baked unleavened bread, and they ate. (4) Before they lay down, the men of the city—the men of Sodom—surrounded the house, both young and old, all the people from every quarter; (5) and

they called to Lot and said to him, "Where are the men who came to you tonight? Bring them out to us that we may have relations with them." (6) But Lot went out to them at the doorway, and shut the door behind him, (7) and said, "Please, my brothers, do not act wickedly. (8) Now look, I have two daughters who have not had relations with any man; please let me bring them out to you, and do to them whatever you like; only do not do anything to these men, because they have come under the shelter of my roof." (9) But they said, "Get out of the way!" They also said, "This one came in as a foreigner, and already he is acting like a judge; now we will treat you worse than them!" So they pressed hard against Lot and moved forward to break the door. (10) But the men reached out their hands and brought Lot into the house with them, and shut the door. (11) Then they struck the men who were at the doorway of the house with blindness, from the small to the great, so that they became weary of trying to find the doorway.

—Genesis 19:1-11 NASB

Now, this should make it clear that even the most sinful person would be able to see an angel. God is just in how He deals with sin and those who move upon the earth. There is no leniency in God where He would say, "It is under the blood," just to say sin is okay to continue doing. Grace is not an excuse to keep sinning. The power of God overpowers any sin. No sin should keep you in any form of addiction or bondage. If there is bondage, pain, or addiction, King Jesus can heal, deliver, and set us free.

Now, see who is the master of all three—body, soul, and spirit. For you may give your soul to the Great King, and His Spirit may dwell in your spirit, but what has a territorial right to your body? The enemy pursues his quest to deceive people into thinking that the Great I AM would not have the power and authority to bring deliverance today. Now, you can pray to the same God of Abraham, Isaac, and Jacob, now called Israel.

King Jesus is here, and He keeps His covenant with Abraham this day. For the Great I AM is not the God of the dead but of the living. He has His angels standing their post

throughout the earth, bringing His will to pass. His angels are on a mission, and that mission is whatever the Great King would plan to have synced with the people on Earth.

The people should not look for a moving of material transfer to believe in what the Scriptures say concerning this. Know that the Great King moves in His way to show you that He is truly moving. Now, what will you drink concerning this detail? Will you seek the wisdom of the Great King concerning what will move into the natural for you to see His way against you or for you?

Make a decision where you look to move into a salvation covenant, where you give yourself to the Great King. Make Him your Lord and Savior, where you move and choose His way over your way. Both will line up when you choose to walk with the Great King, doing the will He would bring in a soul and heart that has given complete allegiance over to the One True God.

You have angels moving in the place you stand; they minister in the way of those who will inherit eternal life. You may need them to assist you with various details. You would also need to drink the Great Holy Spirit's will to know what plan they would move in to assist you. The angels will only do the plan given from a will spoken by the Great King Jesus.

Get yourself positioned to move into the Kingdom way of living—not just in the words you speak, but also in how you live and operate in two worlds this day. The natural and spiritual ways are here. It is for you to move into living with the authority given to you as a Kingdom citizen implemented to wage war effectively against Satan and his demon hoard.

Don't move to ignore the unseen way. Learn from the ministry that King Jesus had while He was here on Earth: Kingdom work. For the Kingdom is within you. Do your work using the Kingdom tools given to you by the Great King. Go with the Helper, the Great Holy Spirit.

Until our next discussion concerning material transfer, know that you will never receive a will (plan) to drink from the Great King if He is not going to prepare you to do the will. Stay with the Great King Jesus and listen to the Great Holy Spirit in all things. Amen.

(The end of the teaching.)

Now, is it possible for spirit beings to materialize and appear as a human in their presentation? The answer, based on Scriptural backing, gives clear ways of proof. Yet would Yahweh, our great King Jesus, come to Earth and enter a plan of sexual engagement with His creation? NO! Yahweh has a certain way of presentation that is mimicked by a servant of Satan. This servant is one of Satan's messengers who spies on my work. By reading this partial message, you will receive an understanding of Satan's messenger.

Partial Message

SATAN'S MESSENGER

A meeting with Satan's messenger was given to me in these few timely minutes in this hotel room outside of Dallas. I am not even in Houston, yet he still came to where I wait for my husband to get done with his earthly work detail. The messenger from Satan did not look as I expected. I could only see him with my prophet's spirit in a seeing detail, yet he will be clearly seen very soon due to him even stating that he knew I couldn't look at him directly. It was apparent that this is no joking matter and that this level of training is coming, where I will deal with this demon that looks as if he is an angel, still, in that detail. He appeared dark yet in the form as if an angel. No glow came from this dark being, but if one were not in a synced connection with the Great Way, this demon would easily cause great deception. His speech was diplomatic as if he were well-trained. What oozed from his presentation was a will to give me his greatest way of hatred by using rejection with the churches. He is well-informed on these details mentioned in the will

given in the Great Way King Jesus. Satan's messenger is using these messages from the Great Way to learn where the Great Way will go after this current detail in this transition.

(End of the partial message.)

Now, let's bring all of these parts into an ordered way so that there will be a clear understanding of how a demon can bring deception.

Yahweh will never engage in sexual actions with a human. God will not present His nature as a human male to mate with you. Women are under great deception to enter a mating ritual with a demon that changes the way in presentation to take on a look that makes them think that there is real lovemaking in a natural place as Yahweh's bride. Satan mates with his human brides, but there is no parallel in how the Kingdom of Yahweh operates. Yahweh will not give a presentation of the Kingdom through natural sexual joinings, nor will He lay His nature far from Him as a holy way and bring dishonor to the Father who is in Heaven. If you have seen King Jesus, you have seen the Father. Those are Yahweh's words. And when the Great King Jesus rose from the dead and was seen by Mary, didn't she assume He was the gardener? How would the way of Yahweh's presentation be revealed if a human could have a look at Him and expect His behavior to be as a human? King Jesus can take on a form of presentation that can make it appear to a human that He, King Jesus, is just flesh and blood, a human male who would mate like any other man with a woman. But King Jesus is not Satan, nor is the Great King Satan's brother.

The servant of Satan, mentioned in the message, has followed me for approximately the past seven years. And when Yahweh tells me that I will have a visit from this demon and see him as if he is in a materialized way, He gives a very stern warning: This demon takes on a facial presentation that offers a deception. When a human has a look at this demon, the deceiver pretends with his mannerisms and facial features that he is the real Savior, the Great King Jesus. And this demon will have endowed parts and is extremely handsome. This demon will share fake loving ways to bring the deceived person into

submission. The deceived person will crave to offer pleasing communion without spiritual proof of Yahweh's nature in His way of loving.

The victim will see who they think is King Jesus and take hold of a twisted view of Scripture, assuming that there needs to be a sexual joining to complete the Scriptural reference as a part of the bride of Christ. What Christian woman would not want to honor the Great King through serving Him in His Kingdom work? But never should a man or woman perceive that sharing the love of King Jesus will take on sexual actions and enter mating arrangements.

Stay holy unto Yahweh and serve Him in His Kingdom as a Kingdom worker, a servant in your sphere of influence. Do not mate with another who is not a spouse to your way. Repent, and come under the Kingdom order Yahweh gives. Ask the Great King Jesus to remove the spiritual scales so that you can see clearly.
