

SEX WITH DEAD PEOPLE

Some people have a distorted way and take a dead person as a sexual outlet for fulfillment. Dead people have the sexual organs needed to yield a season of pleasure to the demon-filled person who engages this way.

What pleasure comes when there is a sexual act with a dead person? Aren't they—the dead—not even in their fleshly shell? Isn't decay taking over their way? Those who have sexual acts with dead people yield to a joining that is not with whoever once lived. The joining is with a demon spirit through the connector Death spirit, using the deceased person's outer shell.

"Explain this further" is what I would say.

Let's take a moment to consider why a person would endeavor into this practice. Some think there would be a curious action based on wondering if real pleasure would come through this plan. Can a human give pleasure to a living person by using their fleshly dead shell? The spirit and soul of the dead person are in Heaven or the Hell and would not be able to engage the living. A shell of what once was is now there and is decaying.

To have sexual urges for a dead way is to crave the sacrifice of what Death takes. The Death spirit places all dead ways in a phase of a curse so that there will not be a rejoining with the earthly way, in the body. To say to the spirit realm that you want to engage in sexual ways with a dead shell is to also long to taste how Death takes away the life in that person.

This act with dead people brings an even greater conjuring than drinking human blood during sexual acts. This way is to say with a physical action that you long to be indwelt with Set.

Any action that brings death is under the god under lowercase ways known as Set. Set is conjured with sexual acts attached to sacrificial actions. But in this case, with sexual

engagement with an already deceased way, a summoning is ordered. A kingdom order is triggered, and Death will yield.

Do not ever watch sexual acts with human sacrificial actions.

You must know that to take on watching Satanic acts is clearly seen to the “spirit” way that you are in spiritual agreement with whatever spiritual nature is glorified.

Take a moment to think about how the Hollywood-made movies secretly bring you into Satan’s camp, taking away Yahweh’s Kingdom protection. Don’t sit there and think that movies and TV programs are harmless while your spirit is slowly darkened by whatever filth you have visually eaten.

When there is an indwelling of Set, Yahweh will have no other choice but to distance His Spirit and give you over to Death, even while still living, for a season of torment. Those Christians stating that no demon can harm them while watching horror movies and demon-based settings deceive themselves. You purposely give Satan spiritual permission to fill your life with torture.

Go and repent to King Jesus. Say this prayer of salvation and come under the Kingdom of Yahweh.

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

You must be made aware of the spiritual residue of consequence. And even once returned to Yahweh's Kingdom and made whole, spiritual deliverance is needed to close all spiritual doorways opened to Satan.

You have broken down your hedge of protection when you open spiritual doors through satanic activity. Without protection, demons will flood in and have a stake over territories within your way.

See, salvation is the critical way to bring you under Kingdom order, yet your house itself could still be in chaos, and each part must be placed under King Jesus, expelling every demon that binds you.

Do not blindly follow others. Do not scroll the social media platforms without full awareness that you will bring in many different spiritual snares with your eye gates.

Ask Yahweh to show you what actions need to cease in your daily way. And yield.
