

THE DAMNED

GREAT HOLY SPIRIT:

There are many who will truly want to know of that person spoken of in that Letter 30, but it will not be given to say her name, for it will be truly detrimental to her once We truly push you in the way to be proven through glowing.

You are in a proven plan with Me, where you have shown in the fullest way in testing that you will be with Me. That never has to be proven; your service is truly solid in Me. You can be truly trusted, and you will keep covenant with Me. I will never have you do this major work without My power, presence, and glory. You need all three, and even this minute, your spirit is filling up with Me, in all.

SUSANNA:

My Great King, it is truly a great honor to serve You at any level that would bring You great glory. So much has changed since we talked on those details in Letter 30. My heart has fully embraced Your plan concerning this way to walk against You and what that would truly mean.

There are many who read these details, yet they have questions that only You would have a way to answer. I love You, and I know that You truly will speak ways to help the nations walk in closer ways with You and not have any fear.

GREAT HOLY SPIRIT:

I have a major will to come and move into dealing with. There are many who think they will go to Heaven. That plan that they think of comes from dreaming of their way to enter Paradise. How can I let any sin into My Heaven? How can I excuse it as a mercy thing?

They view Me as loving deeply, yet they do not see that they serve a Great and Holy King. You have to tell the nations I cannot let sin into eternity with Me. What does that Scripture state concerning blaspheming? Use the same version from Letter 30.

(28) "I tell you the truth, all sins that people do and all the things people say against God can be forgiven. (29) But anyone who speaks against the Holy Spirit will never be forgiven; he is guilty of a sin that continues forever."

(30) Jesus said this because the teachers of the law said that He had an evil spirit inside Him.

—Mark 3:28-30 NCV

THE GREAT WAY CONTINUES:

Let's continue. There must be a true reasoning, where all must see that there is one sin that is mentioned here that shall have no forgiveness, ever. I cannot have mercy in that plan to let that person speak from their heart and say blaspheming details against the Great Holy Spirit. It is not that I love them in other plans. I have one love, and that love will not cover what sin is mentioned, where I would forgive it. This plan is truly very hard for those who would make it have a way in presentation as all will enter Heaven.

Your way must truly see it will not be given where any who speaks in blaspheming ways in their soul, mind, and heart against the God the Great Holy Spirit, will be given a way to enter eternity with Me. Here is where all will have to learn this truth: once saved will not always give a way to have a never-ending salvation. Others say it this way: once saved is always saved but with a plan to say it will be based on their way of adding other details to prove their way.

My way has a plan that says this: once a person has entered the Kingdom, they can still choose to leave Me and go into the world. Have a way to look deeper. It can happen to any. You have to give your full way over to King Jesus and live a way that will be willing to change and move into doing any will He will give you.

Here is where the religious person gets into trouble. They will say, "Things are going well," but they will truly refuse any new plan that doesn't include their way of doing church ways. God gives new movings of His great power in different power infiltrations, and with a new movement, there will be those who will not receive it just because God didn't speak it to their church leaders.

Is God a person? The Person of God is not a human who has to submit to local church buildings to get their approval before doing a new thing.

Where was John the Baptist when he was in the fullness of the work he was called to walk in? Was he in a synagogue? Was he in a Jewish leader's home or office, or school? John was in the will when he walked in the hiding place in God. John lived in the wilderness, yet he moved with great authority in that new way to present the Messiah. Serve Me well in your way in presenting the King. Your turn.

SUSANNA:

Great Way, it is so different doing this Kingdom Rain work. There are not many who would even train their church people on how to expel demons, yet there truly are many who are being in torture. I know there would be others who are drinking Your will. Please help them to fully learn the message You have placed deep into the Rain Work.

GREAT HOLY SPIRIT:

The damned will know of the plan that is being done in their way. They will know of how they once lived. They will have their memory and will remember that they truly were given a way to be with Me in eternal power ways. They will truly long to leave Hell, but they will not be able to do so.

No human has the power to release dead people from the grave. It's the Spirit of the Way who is able to move any to living plans once more. How can any say they love Me yet speak in their full way, that they truly do not embrace what is being done by My great

power? Why would I have any way to have you drink Me if you turn and say that My servant is doing My work with the help of demons? King Jesus was also spoken against in this way.

These people with titles can sometimes fall into error. Where will they turn when they cut Me off? Who can save those who give a turning within to say blaspheming details against the God known as Great Holy Spirit? Who can save that person? No blood will cover that sin; it will not ever be forgiven.

Trainers of students: make sure you know God's will. You will have to answer the Judge concerning how you teach others. There is no forgiveness given for blaspheming against the Great Holy Spirit. How can a true Christian turn against Me? It will happen through very deep changes based on who they lean on for instruction.

Hearts can turn away from the Great Way even after the new birth is done. This is what is known as *twice dead*. The Word speaks of the way of returning to the dead way. Servant: put Scripture here to give a deep drinking in these details.

(12) These are the men who are hidden reefs in your love feasts when they feast with you without fear, caring for themselves; clouds without water, carried along by winds; autumn trees without fruit, doubly dead, uprooted; (13) wild waves of the sea, casting up their own shame like foam; wandering stars, for whom the black darkness has been reserved forever.

—Jude 1:12-13 NASB

(20) And when people escape from the wickedness of the world by knowing our Lord and Savior Jesus Christ and then get tangled up and enslaved by sin again, they are worse off than before. (21) It would be better if they had never known the way to righteousness than to know it and then reject the command they were given to live a holy life. (22) They prove the truth of this proverb: "A dog returns to its vomit." And another says, "A washed pig returns to the mud."

—2 Peter 2:20-22 NLT

(4) Some people cannot be brought back again to a changed life. They were once in God's light, and enjoyed Heaven's gift, and shared in the Holy Spirit. (5) They found out how good God's Word is, and they received the powers of His new world. (6) But they fell away from Christ. It is impossible to bring them back to a changed life again, because they are nailing the Son of God to a cross again and are shaming Him in front of others. (7) Some people are like land that gets plenty of rain. The land produces a good crop for those who work it, and it receives God's blessings. (8) Other people are like land that grows thorns and weeds and is worthless. It is about to be cursed by God and will be destroyed by fire.

—Hebrews 6:4-8 NCV

GREAT HOLY SPIRIT CONTINUES:

I have a place in the Hell for those who were once under the blood but turned to live in sin once more and were sealed in that way through natural death. This plan is major. Your spirit can get sick. Your spirit can slowly take on sinful ways into being dead once more. Your true way can drink demons even while a Christian. Your spirit is the part of you that is truly you—the material that makes up you. What can be seen of you in natural details will be the container for your spirit—but not just you; also, demons can take up residence in your natural body, even a body of a true follower of the Great King Jesus. I have no guilt to have this place reserved for those who blasphemed God's Spirit. I am All-powerful. I am faithful. I am truly just.
