

WHY COME FORWARD NOW?

YAHWEH'S QUESTION:

A prophet is an office placement. Why would I use an office that shouldn't have a need to build the foundation of the Church? I shouldn't. Isn't the Church already equipped with a foundation from the Early Church days? Explain what you are doing here, Seersgate.

SEERSGATE GIVES IT:

The Church's foundation is already built. Would there be a need to continue to have real prophets in the Church? I believe Yahweh is bringing forward a new way, one that is not under the Church era but of Kingdom order that will bring the preparation for the reign of Christ on Earth. All the office gifts are activated for this purpose. Yet there is a lack of understanding of how these offices function in this current era.

I will give my understanding. There is no purpose for the office gifts of prophets and apostles if no new era begins and leads in given Kingdom outlets. But what if Yahweh is preparing the world for His return? Governing ways under Kingdom order will give spiritual drinking in our daily outlets.

I was taken from under the Church era and placed in His governing way as if I was birthed forward in the times of prophets of old, and there is no enablement to build any work without Yahweh bringing the way. On purpose did He prepare me for thirty years as a novice prophet, with ten of the years in a spiritual cave to hear the word and deal with the fleshly way, stripped of those things I placed before Yahweh. These training notes, journal entries, and creative outlets give a systematic way to share how Yahweh trained me.

In the early days before Yahweh established the Church, John came and declared the way for the Messiah King Jesus. John's methods were not as those in his "church" way. John didn't give announcements of the coming Messiah after King Jesus came but had to speak of the coming new way during the time of the Torah. John lived separately, apart from the established outlets, bringing a preparation forward to prepare the people for the coming Church era. And this made it possible for the way to be prepared to embrace the coming Messiah.

But now it is that time to give another preparation. I speak of a coming era where Christ will reign on Earth; it is not the Church era. During the transition leading to the reign of Christ on Earth, there will be a time where the Antichrist reigns, and every nation will submit to that reign.

We will preach the Kingdom and prepare the world for the return of Christ. Prophets are coming forward but will need to learn how to engage the God Yahweh in His ways under Kingdom order. And outlets of Rain and Seersgate will give Kingdom order as Yahweh enables us.

YAHWEH RESPONDS:

You will be the most rejected person on Earth pertaining to your way of dealing with Yahweh.
